PRODUCT SPECIFIER

Ergonomic Workstations & Accessories

Production **BASICS**

WORKSTATIONS THAT INSPIRE PRODUCTIVITY.

We'll help you find the right ergonomic workstations for your company. You'll receive innovative solutions that fit your exact specifications for performance, productivity and aesthetics. You'll also get the easiest to assemble, longest lasting, American-made workstations on the market. Then, you can get back to business.

Quad Station

PedSys Work Bench, Left-Side Storage

C-Leg Stations with Add-on Corner

Since 1995, **PRODUCTION BASICS** has manufactured **ERGONOMIC WORKSTATIONS** and accessories that **INSPIRE PRODUCTIVITY**. We offer a variety of products that are designed to bring **EFFICIENCY, PRODUCTIVITY & PROFESSIONALISM** to your manufacturing, material handling or laboratory environment.

RTW Table with Riser Shelf

**PedSys Work Bench,
Left and Right Side Storage**

Electric Station, Dual Leg

Side-by-Side C-Leg Station

Supply Cart

Workstations are not just **TABLES**, they are **TOOLS FOR PRODUCTIVITY**. An **ORGANIZED**, ergonomic **WORKSPACE** for your operators means a happier, **MORE FOCUSED** employee. It means **GREATER JOB SATISFACTION** and fewer workers' compensation claims in a **GREAT LOOKING FACILITY** that operates at **PEAK EFFICIENCY**.

C-Leg Series Workstation

PedSys Work Bench, Left Side Storage

RTW Table with Casters

PedSys Work Bench, Right Side Storage

Production Basics workstations **START WITH SMART DESIGNS**. We combine **CLEAN LINES** and **SOLID COMPONENTS** to form sturdy, simple workstations that are **BUILT TO LAST**. Using the Basic Bolt, Basic Nut and an allen wrench, you can **BUILD YOUR WORKSTATION** in minutes. You are able to **ADJUST** your workstation **PRECISELY**, a major benefit over common slotted units.

It's time to **DELIVER** some **INSPIRATION** to you. We invite you inside our Product Specifier, where you will **FIND THE WORKSTATIONS** that are **RIGHT FOR YOU**.

PedSys Work Bench, Right Side Storage

Easy-Lift Series

The Easy-Lift Series features workstations that are height-adjustable at any time. The worksurface is easily raised or lowered with either a push-button or smooth action crank handle. Easy-Lift Series stations are essential for multi-shift facilities where several employees may be using the same workbench.

Attach accessories to your Easy-Lift Series workstation using Uprights. Uprights are constructed of robust unistrut, similar to our signature C-Leg Series frames.

Accessories are attached using the Basic Nut and Bolt allowing for micro-adjustment of your accessories to the most comfortable position.

General Information - Easy-Lift Series

- Stock frame color on all Electric Station, Dual Leg and Hand Crank, Dual Leg Stations is a Black frame with extruded aluminum legs. Worksurface is either White standard laminate or Grey ESD laminate.
- Stock color on all 4-post workstations is Blue with White standard laminate or Grey ESD laminate.
- Other frame colors for 4-post workstations available upon request at no additional charge are Almond, White, Grey, and Black.
- Other laminate colors available upon request at no additional charge are White, Beige and Grey.
- Workstation kits noted as “ESD” include ESD laminate and ground bolt.
- Laminate worksurfaces are constructed of 1.25” thick industrial grade particle board. ESD laminate measures within the static dissipative range of 10^6 to 10^9 ohms to ground.
- Most Easy Lift Series workstations ship fully assembled, except for accessories.
- Unless noted, worksurface depth (D) is always specified first in dimension notation. Station width (W) is specified second.
- Height adjustability range varies by workstation. See product notes for specific ranges.
- Workstation components are constructed of steel except for extruded aluminum leg.
- Choose accessories for your Easy-Lift Series workstation on pages 55-76.
- Most above surface accessories are compatible with Easy Lift Series using Uprights.
- Weight capacity varies by workstation. See product notes for maximum evenly distributed load specifications.
- Custom frame colors are available at an additional charge.
- Custom laminate colors are available at an additional charge.
- For options not specified in this section, review the Custom Options section of this Product Specifier (pages 77-83) or call Production Basics.

Special Orders/Custom Options

All items listed in this price list are standard. Any variation to these standard items, including frame or laminate color, must be special ordered. Please consult with us about your requirements. Returns of special order/custom products are not accepted.

Orders and Cancellations

All orders must be placed through a Production Basics authorized distributor. Verbal purchase orders are not accepted. Products ship knocked-down (KD) by truck. FOB Billerica, MA. Changes and cancellations may not be accepted after an order is placed with Production Basics. For assistance with your workstation choices prior to placing an order, call Production Basics or your authorized distributor.

Product Improvements

Production Basics reserves the right to change the details of design, material and finish in any way that will not reduce function or performance.

Discontinued Products

Product specifications featured in this Product Specifier are available at the time of printing. Production Basics reserves the right to discontinue products at any time for any reason.

Returns

NO MERCHANDISE WILL BE ACCEPTED FOR RETURN WITHOUT PRODUCTION BASICS' PRIOR APPROVAL. Return Merchandise Authorizations (RMA) must be requested by the customer within ten (10) days of receipt of merchandise. Returned goods must be sent freight prepaid within 30 days of the issuance of an RMA. Returns will be subject to a 25% restocking charge. RMAs are NOT issued for custom products.

Shortages and Damages

Upon receipt of product, check against bill of lading for correct number of pieces and inspect for obvious damage before signing delivery receipt. Shortages, errors and damage must be reported to Production Basics within 24 hours of receipt of merchandise. Any damage claims must be filed with carriers immediately upon receipt. Do not destroy packaging materials; they must be available for inspection by the carrier. Production Basics will cooperate with the purchaser on filed claims.

Warranty

This warranty covers any defect in material or workmanship in mechanical or structural parts given normal use and care. With the exceptions noted, this warranty lasts ten (10) years from the original date of purchase for all parts and components manufactured by Production Basics. Production Basics, Inc. will replace or repair the item without any cost for parts within the time frame noted from the original date of purchase: LED Bulbs- Warranty not covered by Production Basics. Contact bulb manufacturer within five (5) days of defect identification.

Easy Lift Series- One (1) year.

All other Products- Ten (10) years.

What is Not Covered

This warranty does not cover damage by misuse, accident, unauthorized repair or modification. Also, consequential and incidental damages (including but not limited to: lost profits, lost sales and injury to property) are not recoverable under this warranty. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. This warranty is the exclusive express warranty and any representations or promises inconsistent with, or in addition to, this warranty are unauthorized and shall not be binding on Production Basics, Inc. Finally, THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE ARE LIMITED IN DURATION FOR A PERIOD OF TEN YEARS FROM THE DATE OF PURCHASE BY THE ORIGINAL CONSUMER. Some states do not allow limitations on how long an implied warranty lasts so the above limitation or exclusion may not apply to you.

Service

To obtain repair or replacement under this warranty, you must contact Production Basics, Inc., informing us of the defect.
